It is with great sadness that we learned of the death of our dear friend and fighter for justice, Dang Vu Hiep, President of Vietnamese Association of Victims of Agent Orange/dioxyn. Our condolences go out to his family, his many friends and comrades, and the organization he so ably led for the last years of his long and heroic life.

We celebrate his courage, and are humbled by his dedication to the cause of liberty for Vietnam during its wars and for justice for Vietnam during the aftermath of those wars. His death is a loss to all of us, but his life was a beacon of spirit, strength, and conviction.

His work is done. As he visits with his ancestors, we will continue to work in the US for justice for the victims of Agent Orange.

Hoa Binh,

Elliott Adams  
President
